

## Note to Mill Creek Campers

June 6, 2017

In regards to children riding bicycles, motorized and non motorized scooters:

Please watch your children closely when they are riding in the campground. We suggest they ride for their safety in the Basketball Court area or the Concession Stand parking lot. Please have your children **ride with the traffic** and **follow the one way signs**. **Absolutely no riding after dark**. We have camping friends worried for their safety.

Possible fines could be given if the following rules are not followed.
